This book will help you answer, "Who you are, why you are here, and what action steps you need to take to chart a course to your purpose residency."

**Introduction:** Your three 3Ps: Passion, Potential, and Purpose come in seed form and must be identified, cultivated, and fueled. Your 3Ps amplify your talents, abilities, and capabilities. They open doors to what is already within you that you might not fully possess. You hold the keys that unlock the doors to your destiny. When God is in your PURPOSE it is far better than what you can think and imagine. God want to be your navigational device and He desires to set you up for success on your road to purpose.

**Chapter 1:** This chapter describes a way of thinking that will help you test your 3Ps and get to a revelation of what is God's plan for your life. "For as he thinks in his heart, so is he" (**Proverbs 23:7**). The time you spend questioning, thinking, planning, and doing will allow the mysteries of your 3Ps to be unknown to you creating a clear path to God's plans for your life.

**Chapter 2:** This chapter will define passion for you and allow you to tap into the clues that passion leaves for you to find. Passion in Latin means path. If you follow what you love, it will show you the way to your true purpose and to your God-given DNA. Passion will chase you and urge you to fight to do what God is calling you to do. Combat negative self-talk and the things that want to derail you from being God's handiwork and the good works which He prepared in advance for you to do (**Ephesians 2:10**).

**Chapter 3:** This chapter will help you unlock your potential by considering possibilities. God's promise is inside you pleading to be unlocked. You possess the legal rights to your seeds and are free to develop them with the guidance of the Holy Spirit. "Seeds always carry within themselves the germ of the trees they were destined to produce" (Munroe, 1992). This chapter will help you examine the process of growth and transformation as you discover what is already within your hands.

**Chapter 4:** To know your purpose, this chapter will help you take a purpose test. Purpose speaks, prompts, and pulls you forward into God's positioning system. Purpose has checkpoints and once it confirms to your inner voice (spirit man), you will know that you know that you are in your purpose zone and that feeling will be wonderful. It will strike destiny and the Holy Spirit fire will strengthen you to do great exploits for God that will bless the world.

**Chapter 5:** Those who are prudent planners foresee the dangers and take precautions (**Proverbs 22:3**). A well thought out blueprint guides your every step to success. "My people are destroyed from lack of knowledge" (**Hosea 4:6**). The Message Bible puts it this way, "Write what you see. Write it out in big block letters so that it can be read on the run. This vision-message is a witness pointing to what is coming. It aches for the coming—it can hardly wait! And it does not lie. If it seems slow in coming, wait. It is on its way. It will come right on time" (**Habakkuk 2:2-3**). With a godly plan bathe in prayer, God does the guiding and the leading.

**Chapter 6:** Your godly purpose is to be lived daily even when you do not feel like it. It will require discipline, courage, consistency, determination, and a whole lot more. It will not be easy, but God is always with you making sure your purpose is fulfilled, and you have the tools to be strengthened to fight the good fight (**2 Timothy 4:7**). "God gives strength to the weary and increases the power of the weak" (**Isaiah 40:29**). When you are living in your purpose you are truly alive as God intend you to be. As you move into your purpose, God will reveal more on how to operate within your gift zone, and He will elevate your gifts to bless others.

**Chapter 7:** This chapter is about compelling stories. Purpose is a story we tell with our lives. No one has your story—your pain and/or your triumph. Your story can change lives, encourage, teach, and provide direction to a fellow traveler on their road to purpose. Yes, it can. When we share our stories, we leave the breadcrumbs of success for another generation to find and follow. Live your story, tell it, and use it for His glory. May God, help you live a beautiful purposeful story!!!
